

## EANS Winter Summit 2018

Thursday 25th and Friday 26th January  
University of Turku, Finland

### **The Mini Keynote Auction is Back this Year – but with a twist!**

**Building on the success of the 2015-2017 summits, we are pleased to offer again the chance to present your work as a mini-keynote.**

### **There is a difference, so take note!**

We invite individuals to submit short abstracts of up to 200 words relevant to the summit theme. **This year, all presentations are to be pecha kucha style.** This is a way of presenting where you:

1. Prepare 20 slides (only images/pictures. No words apart from your title slide);
2. Put onto auto timer at 20 seconds per slide;
3. Present your keynote with the entire presentation lasting 6 minutes and 40 seconds long;
4. There will be 8 minutes for questions after each presentation.

Don't be shy!!! If you are a member of EANS, or one of the local delegates/students from Turku, please consider submitting. We particularly welcome the input of students to tell us about their projects. Pecha Kucha is good fun and is an excellent way of communicating information in a short space of time.

Please submit your abstract for the auction by Friday 15<sup>th</sup> December on the EANS website at: <https://european-academy-of-nursing-science.com/event/winter-summit-2018/>

Abstracts will be reviewed by two members of the scientific committee and judged against relevance to the summit theme and suitability for presentation in pecha kucha format.

For some examples of Pecha Kucha see:
