

Information regarding how to book your accommodation at Comfort Hotel Børsparken, Oslo

General information to all EANS students

Comfort Hotel Børsparken located five minutes' away from Oslo central station will be your home away from home during the summer school in Oslo. The hotel is recently renovated, and the lobby area is kitted out with a lot of desk areas, seating groups, electrical outlets, PowerPoint projector and screen. Hence, the perfect spot for you to do the different team working exercises that are part of the summer schools' curricula. This year all 105 EANS students will be staying at the same hotel. We hope that this strategy will support you to network and build fruitful collaborations, which is one of the goals with the EANS summer school. We therefore strongly advice against booking an alternative accommodation as this will make it more difficult for you to engage with the other EANS students. Additionally, alternatively booked accommodation will have to be paid in full by yourself.

Visit the hotels homepage <https://www.nordicchoicehotels.com/hotels/norway/oslo/comfort-hotelborsparken/> to familiarise yourself with what will be included in your stay. Please be so kind to consider that during these turbulent times the exchange rate between the Norwegian crown and the euro can fluctuate more than usual. Room prices in euro stated below are therefore likely to be subject to changes in both directions (+ and -) before your arrival.

Important information year 1 students [booking number 1020GR019322]

To ensure your accommodation at the negotiated lower rate (price) as well as to benefit from the host universities subsidies of the hotel price please fill in the accommodation booking form as soon as possible and send the scanned version to co.borsparken@choice.no, no later than the 1st of April. After this date the summer school host can no longer ensure the lower price rate or the room availability.

The Oslo working group have done their very best in attracting extra funding for the summer school but have not been able to subsidise the hotel price for year 2 and 3 students in the same way as for year 1 students with their much bigger total expense for accommodation. We sincerely hope that our decision regarding this make sense and are supported.
